Good Afternoon:

We wanted to reach out to the property owners involved with Holy Trinity Cemetery Site. One or both of the EPA On-Scene Coordinators will be at the site on various days this next week. Today, I will be stopping by the site around 2:30 PM. Peter Lisichenko (The new Niagara County stationed EPA On-Scene Coordinator) and I will also be at the site on Tuesday, August 8th around 10 AM as well as on site Wednesday, August 9th to oversee fence installation in Areas 2 & 4. We will make stops at the residences and the cemetery office to try and meet up with you all but obviously you can reach out to us anytime.

Thanks

Regards,
